EDUCATION

**Graduated from
Chompuvone High school**

2017 - 2022

**Bachelor of Computer Science,
Human Resource University,
Phnom Penh**

Graduate expectaion (2027)

SOFT SKILLS

- Problem-solving: I am able to identify problems, analyze them, and develop effective solutions.
- Attention to detail: I am careful and meticulous in my work and pay attention to the smallest details.
- Communication: I am able to communicate effectively both verbally and in writing.
- Teamwork: I am a team player and am able to work effectively with others.

TECHNICAL SKILLS

- Basic Programming languages: C++/C, JavaScript(React), HTML/CSS(Tailwind/Bootstrap), SQL, Shopify(Liquid)
- Graphic Design: Photoshop, Illustrator, CorelDraw
- Web Design: Figma

PROFILE

I am a highly motivated and passionate second-year student with a strong interest in Computer Science. I am eager to apply the theoretical knowledge and foundational skills I have acquired to real-world IT challenges. I am confident that my dedication to learning, problem-solving abilities, and collaborative spirit make me an ideal candidate for an IT internship.

WORK EXPERIENCE

GUI Project: Unit Converter
- Developed a cross-platform graphical user interface (GUI) application using C++ and the Qt library.
- Implemented a user-friendly interface for converting between various units of measurement, including length, weight, temperature, and volume.
- Handled user input, data validation, and error handling to ensure a seamless user experience.

Web Development Project
- Designed and developed a personal website using HTML, CSS(Tailwind), and JavaScript(React).
- Created a visually appealing and responsive layout that adapts to different screen sizes.
- Implemented interactive elements and incorporated personal projects to showcase skills and interests.

IT Conference Participation
- Attended the SparkMeet IT conference to gain insights into the latest industry trends and technologies.
- Participated in workshops and panel discussions led by experts in various IT domains.
- Expanded professional network by connecting with fellow IT enthusiasts and industry professionals.
